**BOARD ADMINISTRATION**

The Board reviewed the agenda. On motion by Director PARREIRA, second by Director DEGROOT and unanimously approved, the agenda was approved.

On motion by Director PARREIRA, second by Director DEGROOT and unanimously approved, the minutes of the July 21, 2022 meeting, were approved as

presented.

LIMAS updated the Board on ET and Transitional water usage through July. LIMAS also reported that the Groundwater Planning Commission will soon be working on mitigation plan development. No action was taken.

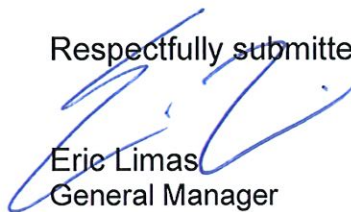

REYN AKIONA gave updates on Watershed Coordinator activities, Watershed Plan activities, and Tule Basin Land and Water Conservation Trust and related grant applications and activities. The GSA was awarded a \$10 million grant for the Tule Subbasin for development of a multi-benefit land repurposing plan, staffing to assist in implementation and several recharge projects. Staff and AKIONA are currently working with the Department of Conservation on the grant agreement. The Trust is currently implementing a land fallowing program. The application period is open. No action was taken.

The Board then went into closed session. Upon reconvening into open session, it was reported that no action was taken during closed session.

**OTHER MATTERS**

There being no further business to be brought to the Board attention, and the meeting was adjourned.

Respectfully submitted,

Eric Limas  
General Manager
