Pixley 2023 Water Run update –

Pixley water will be back on for the whole District tomorrow, 8/5/2023. It looks like we will have it through the weekend as of now. Potentially, it could last longer depending on when and if the canal is prorated. Please expect delays tomorrow for deliveries on the west side. We will fill it as quickly as possible.

As always, if there are any questions please call the office.

Sincerely,

Kirk Masters

Water Resources Superintendent
