Pixley Irrigation District Water Operations update: for May 25, 2024

Pixley will be shutting down on Monday (5/27) due to prorate in the Friant Kern Canal. Water will be getting cut from Friant at 4:00am. This will give everyone that had water ordered Sunday a 24-hour run. All orders that were put in for Monday will be cancelled.

As always, if there are any questions please call the office.

Sincerely,

Kirk Masters

Water Resources Superintendent
