Pixley Irrigation District Water Operations update: for June 1, 2024

Pixley will be turning off Monday morning 6/03/2024. The water is getting cut from Friant at 4am. This will allow at least a 24 hour run for everyone that ordered water for Sunday. Thanks for everyone's patience.

As always, if there are any questions please call the office.

Sincerely,

Kirk Masters,

Water Resource Superintendent
