

Lower Tule River Irrigation District

Water Notice 01-04

To: All Poplar Ditch Shareholders and Users,

April 26, 2001

Due to the continuing below normal precipitation, it has become necessary to reduce the Poplar Ditch allocation. By action of the Lower Tule River Irrigation District Board of Directors, the 2001 Poplar Ditch allocation has been set at 30 acre-feet per share effective March 1, 2001. The allocation will be reviewed again at the May Board of Directors meeting and you will be notified of any further changes.

A reminder that Poplar shareholders in the Lower Tule River Irrigation District should order their water through Lower Tule at 784-2598 or 686-4716. All other Poplar shareholders order their water through Porterville Irrigation District office, 784-6733. Should you have any questions, please contact the Lower Tule River Irrigation District.
